Announcing the

Chippewa River Writing Camp

Welcoming middle school students to CC-C Middle School this June!

Registration

Local students who are entering grades 6-8 in the fall of 2017 may apply to the Chippewa River Writing Camps. Camp instructors are teachers who have participated in the Chippewa River Writing Project who are excited about working with your child.

The registration cost for each camper is \$75, which helps to cover expenses. To ensure that all interested children can participate though, partial scholarships are available to ANY family who chooses to use one. Details are on the registration page.

Please begin the secure registration process by starting with the "Youth and Community Programs" section on our website. The \$75 registration fee for the 2017 camp is only accepted online and can be paid by Visa, MasterCard, Discover, or American Express through CMU's secure QuikPay system.
