Announcing the

# Chippewa River Writing Camp

Welcoming upper elementary students to Westwood Elementary School this June!

## Registration

Local students who are entering grades 3-5 in the fall of 2017 may apply to the Chippewa River Writing Camps. Camp instructors are teachers who have participated in the Chippewa River Writing Project who are excited about working with your child.

The registration cost for each camper is \$100, which helps to cover expenses. To ensure that all interested children can participate though, partial scholarships are available to ANY family who chooses to use one. Details are on the registration page.

Please begin the secure registration process by starting with the "Youth and Community Programs" section on our website. The \$100 registration fee for the 2017 camp is only accepted online and can be paid by Visa, MasterCard, Discover, or American Express through CMU's secure QuikPay system.

*Chippewa River*  
Writing Project

**Start your  
summer  
writing  
adventure!**

Our Chippewa River Writing Camp at Westwood Elementary School (Room A113) will encourage your young writer to become more confident & creative. Together we'll share a love for writing, and a whole lot of fun.

Let your child join us on an exciting journey through engaging activities as we live out our "writerly lives." For just \$100, your child will receive **five** full days of camp (Mon-Fri, 9-3:30), as well as snacks, a writer's journal, a camp t-shirt, and a copy our camp anthology.

**We will offer one camp session in 2017:**

## **Westwood Elementary School**

**June 12-16, 9:00 AM to 3:30 PM each day**

Ever spent time sculpting with clay or creating a blanket fort or some other creative invention out of recyclable materials? This year, we are going to incorporate the idea of Maker Space into our Writing Camp. Students will practice procedural/expository writing as well as creative writing about the creatures or characters they may design. There will be ample time to explore, create, revise and revisit some favorite activities. We will have a writing marathon around town on Thursday to explore the idea of place-based writing (more specific details to follow). We will wrap up our week with a Publication Celebration on Friday afternoon where parents, grandparents and friends are welcome to come celebrate the work these young writers put into their Maker Creations for the week!
